SIZE GUIDE

All of our measurements are based on actual "to fit" body sizes rather than the size of the garment itself.

For example, a polo shirt with a chest to fit size of 92-97cm / 36-38" will fit someone with this chest measurement; trousers with a waist to fit 50 Europe / 34", will fit a person with this measurement.

HERE ARE SOME TIPS TO HELP YOU CHOOSE THE MOST APPROPRIATE GARMENT SIZE(S):

1

CHEST

Men: Measure around the fullest part of the chest, 2.5cm below the underarm.
Women: Measure around the fullest part of the bust.

2

COLLAR

Men: Measure around the base of the neck.

3

WAIST

All: Measure around the natural waist, keeping the measuring tape taut.

4

LEG LENGTH

All: Measure from the top of the inside leg at the crotch down to where the trousers are normally worn with shoes.

5

HEIGHT

Kids: Standing still with feet together and flat on the floor, measure from the top of the head to the ground.

ALL PRODUCTS (excluding shirts, trousers, shorts & sweat pants)
